Seasalt Seminyak Opening Party

On the third week of May, we are happy to be part of the biggest party in town: the opening party of Seasalt at Alila Seminyak. People dress to impress, and everyone looks stunning. With the beach vibe and the love for the sea, Seasalt is the must-go seafood destination whilst strolling around the Seminyak area. Stepping into Seasalt will take you into what resembles a stylish seaside residence dominated by ocean hues and cozy décor. The vibrancy of an open kitchen, the changing patterns of light and shadow on the outdoor decks throughout the day, and the feel of the ocean breeze also serve to create a remarkable sense of openness and connection to the ocean for a relaxed coastal dining experience.

"Seaside Rendezvous" was spectacular, with free flow wines and cocktail – and of course their amazing bites, a preview of their menu created by Chef Vivian Vitalis. Seasalt marks the start of a tantalizing new seascape dining experience, with a dash of Japanese infusion, exciting palates with an enticing taste of the sea in their fresh seafood selection. Guests were entertained by the amazing performance by gypsy songstress Lydia Rose. Then, the party took an interesting twist when jazz singer-songwriter Jamie Aditya gave us a surprise performance. Everybody dances and feeling the vibe. The party closes with the performance from DJ Halim. What a night, indeed!
