SEASALT COASTAL MUNCH FEATURING THE OYSTER MAN

7 3 NOVEMBER 2017

The fabulous way to spend your time in the Island of God Bali is to have a recreational dine out with a seaview. What to eat best other than exquisite seafood and of course a view!

Every Sunday is an excitement to explore new ideas and Seasalt Bali definitely know how to help you with that. Seasalt Coastal Munch gives brunch a new color by implementing fun and creativity without neglecting the concept of "fresh taste from the sea". One of the creations include a bucket of fresh oysters delivered by the funny-yet-admirable-looking Oyster Man.

Adorned with blue-shade raglan t-shirt, baseball cap, and hip sunglasses, the Oyster Man passes around the once-called luxurious food to the guests in delightful manner. "Want some oysters?" is the hint of engagement he wants to entice.

Enjoy Sunday brunch with the feel of the breeze, the sound of the waves, and a fresh taste of the sea. Begin with a baker's basket of bread served with delicious spreads, followed by the ceviche of the day. Then feast all you want on Seasalt's a la carte seafood dishes, as well as tastings from the smoked salmon station, chilled prawns, and succulent oysters shucked fresh at your table by their fabulous chef! Includes a glass of sparkling wine and free flow of iced tea, soft drinks and chilled juices.

Coming from the idea of Chef Stefan Zjita, The Oyster Man appearance is all about fancy bucket, costume, oysters and everything. This entertainment and dining experience will present you a wide smile man and feature the flesh of the bivalve mollusk looks fresh and succulent, perfectly melt to every seafood lover's liking. Your Sunday brunch is just extraordinary with this package. Brunch at Seasalt Coastal Munch is available starting from IDR 485,000++ per person and enjoyable every Sunday from 12 to 4 PM.
