AT ALILA SEMINYAK

The signature and award-winning beachfront restaurant at the luxurious Alila Seminyak, Seasalt has been wooing guests with its delectable dishes, outstanding cocktails and relaxed ambience since it first opened, and the recently re-vitalised Sunday Brunch demonstrates exactly why.

The new menu has all your brunch favourites along with classic and Japanese-influenced signature seafood mixed with signature homemade sea salts. The result is a plethora of exceptional freshly prepared à la carte delicacies, complemented by terrific table service, live acoustic music from New Zealand-born singer/songwriter Phil Stoodley, and a sublime range of drinks.

The Seasalt Sunday Brunch opens at noon and the leisurely experience goes on until 4pm. Why not kick it off with a welcome cocktail or mocktail or a refreshing slice of infused watermelon before diving into the à la carte menu and exploring special dishes like Ceviche of The Day and Catch of The Day? There's a selection of meat dishes too including the succulent short rib with pureed potato, extra tender wagyu and the superb duck breast.

Meanwhile over at the live à la minute stations indulge in fresh sushi and sashimi, smoked salmon and fresh seafood. Oyster lovers should keep their eyes peeled for the Oyster Man who is always ready to pile freshly shucked oysters onto your plate.

With access to the fabulous Play Alila for kids and Alila Seminyak's Party Pool, drinks packages, an excellent wine cocktail list including the special 2-for-1 Bloody Mary offer, the new Seasalt Sunday Brunch should definitely be on your weekend bucket list.
