Say Hello To Seasalt

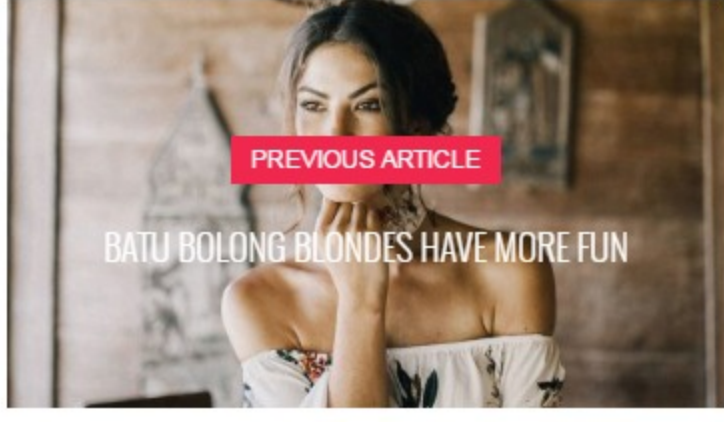

Seasalt is Seminyak's brand new must-go seafood destination located just steps from the sea at Alila Seminyak. Paying homage to its spectacular oceanfront setting, the restaurant sports soothing ocean hues and a menu created by Chef Vivian Vitalis, who uses fresh seafood and organic produce procured from local fishermen and farmers to create down-to-earth dishes with touches of Japanese flair. Try the White Snapper, his signature sea salt baked fish or the Niçoise salad with Katsuobushi and two-year-old black miso. Diners will also be presented with an artisanal sea salt centrepiece to accompany the delish ocean cuisine.
